

CAUTION - CORROSIVE

KEEP OUT OF REACH OF CHILDREN
READ SAFETY DIRECTIONS BEFORE OPENING OR USING

STAINEX^{♦♦} CLEAN PLUS

Highly powerful solution for dealing with persistent contaminations of stainless steel. The original look will be restored, and the protective passive layer of the stainless steel can build up again.

- ♦ Cleans tarnished, heavily weathered and corroded surfaces. Removes mineral sediments, limescale and rust.
- ♦ It is water-based.
- ♦ Free from nitric or hydrochloric acids
- ♦ The cleaner is non-flammable and contains no solvents.

APPLICATION: Apply STAINEX-CLEANER PLUS with a clean damp cloth, allow time to react. Rinse off with water. Exposure time depends on the type and degree of contamination. To maintain cleaned surface, use STAINEX-CARE. Note: intended for use on described materials only, test on other materials before use.

SAFETY DIRECTIONS DO NOT SWALLOW. Irritating to eyes and skin. Wear protective gloves. In case of contact with eyes rinse immediately with plenty of water and seek medical advice. In case of accident or if you feel unwell, seek medical advice immediately.

CONTAINS PHOSPHORIC ACID
